## INTRODUCTION

**The Johannesburg Tourism Company (JTC) hereby invites current and prospective suppliers to apply to be accredited and registered on its Supplier Database as required by the Municipal Finance Management Act of 2003 and its Regulations. Henceforth, the JTC will not do business with suppliers that are not accredited and registered on the database with a valid JTC Vendor number. Suppliers currently doing business with the JTC must reapply in terms of this new process.**

### Instructions to Suppliers:

1. The application forms must be completed in full.
2. All the required and supporting documentations must be submitted jointly with the Form. Company profiles and brochures are also welcome.
3. Failure to submit supporting and requested information will lead to your company not being registered.
4. The Required Information section on page 2 is an indication of what information is required for your business to be accredited and registered without delays.
5. The Checklist for JTC Officials section on page 3 is not to be completed by Suppliers.
6. Business Registration and Business Information sections on pages 4 to 7 are pre-requisites for registration and therefore must be completed in full. Failure to complete this section will lead to your business not being registered.
7. Banking Details and Authorisation for Electronic Transfer of Funds section on page 8 is critical to ensure that there are no delays for the JTC to effect payment to your company.
8. It is compulsory to complete Products and Services section on page 9. Please be specific in terms of products and/or services that your firm can supply to the JTC. Please tick in the appropriate box and provide specific information on the next page. This section will enable the JTC to afford your company an opportunity to submit quotations or tenders whenever the opportunities arise. The JTC will still invite tenders through public media.
9. It is compulsory for **all** suppliers to complete Black Economic Empowerment on pages 11 to 13 accurately and in full. Failure to complete this section may lead your company not being registered. Emphasis in this section is on accurate and complete disclosure. Whilst the JTC prefers to deal with businesses that embrace and comply with Broad Base Black Economic Empowerment Act, non-complying suppliers will also be registered but not accredited for BEE purposes.
10. Trade Experience section on page 13 must be completed in full to give the JTC an understanding of whether your firm has experience of supplying the products and services your firm is applying for. Lack of experience will not necessarily lead to your firm not being accredited or registered.
11. Financial Information Section on page 14 must be completed to give the JTC an understanding of your company's financial standing. Latest audited financial statements must be supplied with the application. Startup companies without financial history will also be eligible for registration.
12. Quality, Safety and Environmental section on page 14 must be completed and supporting information must be supplied. Whilst companies may still be registered without the required information on this section, the JTC prefers to do business with businesses complying with all the applicable legislation relevant to this section.
13. Facilities, Plant and Equipment section on page 15 must be completed in full to give the JTC and indication of your technical capacity.
14. Declaration of Interest section on page 16 is compulsory and must be completed in full. Failure to complete this section will lead to your company not being registered.
15. Declaration By Business Under Oath on page 17 is compulsory and must be completed in full by all suppliers. Failure to comply with this requirement will lead to you company not being registered.
16. The JTC reserves the right to validate all information supplied and any misrepresentation of facts may lead to disqualification and potentially being restricted to do business with other spheres of government and/or other organs of the state.
17. A duly completed Form together with supporting documentation must be submitted to the address indicated on the front page. The JTC will not accept electronically sent forms or faxes.
18. For assistance on how to complete the Form or any other query related to this process please contact Mpho Tsolele of the Supplier Accreditation & Registration Help Desk on 011214 0700.
